Don't forget:

Please make sure that children have their hats every day. Any children without hats are required to play in the shade on the verandah.

PORTFOLIOS

Please remember to return your portfolios from last term so that we can add more fantastic work to them.

Library Borrowing

The following days are when we visit the library:

Mrs Crews - Monday

Mrs Mini - Wednesday

Ms Kaylene - Thursday

Contributions

Contributions are due and you can pay at the Front Office. Contributions for each term are \$50

NITS

Please be vigilant in checking your child's hair. A few notes have gone home lately. If you find any eggs or lice please let us know.

PLAYGROUNDS

The Preschool, Early Years and Primary Years playground is closed before school and immediately after dismissal time as it is not supervised directly by staff. We would be grateful if parents and carers remind their children that they are unable to use the equipment at these times for their personal safety.

From the Preschool

Thank you everyone for a fantastic term. It has been a pleasure to watch the children grow and change as we get ready for transition next year. It has started to get hot so we have gone back to having outside play in the morning. Water play will start next term so keep an eye out as notes will go home.

Preschool have started on our KidsMatter Early Childhood journey. The primary school is a KidsMatter Primary school. KidsMatter is a mental health initiative that improves mental health, reduces mental health problems and achieves greater support for those children experiencing mental health difficulties and their families. It is about promoting good mental health for children from birth to school age. Check out the brochure sent home with your child for more information. Enjoy your holidays and remember it goes back to week 1 at the start of term 4 (see calendar).
